2. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law. We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

To facilitate account creation and authentication and otherwise manage user accounts. We may process your information so you can create and log in to your account, as well as keep your account in working order..

To deliver and facilitate delivery of services to the user. We may process your information to provide you with the requested service.

To respond to user inquiries/offer support to users. We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.

To send administrative information to you. We may process your information to send you details about our products and services, changes to our terms and policies, and other similar information.

To fulfil and manage your orders. We may process your information to fulfil and manage your orders, payments, returns, and exchanges made through the Services.

To enable user-to-user communications. We may process your information if you choose to use any of our offerings that allow for communication with another user.

To request feedback. We may process your information when necessary to request feedback and to contact you about your use of our Services.

To send you marketing and promotional communications. We may process the personal information you send to us for our marketing purposes, if this is in

To deliver targeted advertising to you. We may process your information to develop and display personalised content and advertising tailored to your interests, location, and more. For more information see our Cookie Notice:
https://www.anthrasync.com/Cookies_policy.html.

To post testimonials. We post testimonials on our Services that may contain personal information.

To protect our Services. We may process your information as part of our efforts to keep our Services safe and secure, including fraud monitoring and prevention.

To evaluate and improve our Services, products, marketing, and your experience. We may process your information when we believe it is necessary to identify usage trends, determine the effectiveness of our promotional campaigns, and to evaluate and improve our Services, products, marketing, and your experience.

To identify usage trends. We may process information about how you use our Services to better understand how they are being used so we can improve them.

To determine the effectiveness of our marketing and promotional campaigns. We may process your information to better understand how to provide marketing and promotional campaigns that are most relevant to you.

To comply with our legal obligations. We may process your information to comply with our legal obligations, respond to legal requests, and exercise, establish, or defend our legal rights.

For more information on how we use your data, you can refer to the Cookie Policy here: [Cookie Policy](#)

3. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

We may need to share your personal information in the following situations:

Business Transfers: We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.

When we use Google Maps Platform APIs: We may share your information with certain Google Maps Platform APIs (e.g. Google Maps API, Places API). Google Maps uses GPS, Wi-Fi, and cell towers to estimate your location. GPS is accurate to about 20 meters, while Wi-Fi and cell towers help improve accuracy when GPS signals are weak, like indoors. This data helps Google Maps provide directions, but it is not always perfectly precise.

Other Users: When you share personal information (for example, by posting comments, contributions, or other content to the Services) or otherwise interact with public areas of the Services, such personal information may be viewed by all users and may be publicly made available outside the Services in perpetuity. If you interact with other users of our Services and register for our Services through a social network (such as Facebook), your contacts on the social network will see your name, profile photo, and descriptions of your activity. Similarly, other users will be able to view descriptions of your activity, communicate with you within our Services, and view your profile.

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests, which may appear either on our Services or on other websites.

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our [Cookie Notice](#).

5. DO WE OFFER ARTIFICIAL INTELLIGENCE-BASED PRODUCTS?

In Short: We offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies.

As part of our Services, we offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies (collectively, 'AI Products'). These tools are designed to enhance your experience and provide you with innovative solutions. The terms in this Privacy Notice govern your use of the AI Products within our Services.

How We Process Your Data Using AI

All personal information processed using our AI Products is handled in line with our Privacy Notice and our agreement with third parties. This ensures high security and safeguards your personal information throughout the process, giving you peace of mind about your data's safety.

How to Opt Out

We believe in giving you the power to decide how your data is used. To opt out, you can:

Log in to your account settings and update your user account

Contact us using the contact information provided

6. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

Our Services offer you the ability to register and log in using your third-party social media account details (like your Facebook or X logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile information we receive may vary depending on the social media provider concerned, but will often include your name, email address, friends list, and profile picture, as well as other information you choose to make public on such a social media platform.

We will use the information we receive only for the purposes that are described in this Privacy Notice or that are otherwise made clear to you on the relevant Services. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy notice to understand how they collect, use, and share your personal information, and how you can set your privacy preferences on their sites and apps.

7. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfil the purposes outlined in this Privacy Notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than three (3) months past the termination of the user's account.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymise such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

In Short: We aim to protect your personal information through a system of organisational and technical security measures.

We have implemented appropriate and reasonable technical and organisational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorised third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

9. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: You may review, change, or terminate your account at any time, depending on your country, province, or state of residence.

Withdrawing your consent: If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time. You can withdraw your consent at any time by contacting us using the contact details provided in the section **'HOW CAN YOU CONTACT US ABOUT THIS NOTICE?'** below.

However, please note that this will not affect the lawfulness of the processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Opting out of marketing and promotional communications: You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send, replying 'STOP' or 'UNSUBSCRIBE' to the SMS messages that we send, or by contacting us using the details provided in the section **'HOW CAN YOU CONTACT US ABOUT THIS NOTICE?'** below. You will then be removed from the marketing lists. However, we may still communicate with you — for example, to send you

Account Information: If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and update your user account.
- Contact us using the contact information provided.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, we may retain some information in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our legal terms and/or comply with applicable legal requirements.

Cookies and similar technologies: Most Web browsers are set to accept cookies by default. If you prefer, you can usually choose to set your browser to remove cookies and to reject cookies. If you choose to remove cookies or reject cookies, this could affect certain features or services of our Services. For further information, please see our [Cookie Notice](#).

If you have questions or comments about your privacy rights, you may email us at official@anthrasync.com.

10. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ('DNT') feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected.

At this stage, no uniform technology standard for recognising and implementing DNT signals has been finalised. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Notice.

In the event of a data loss, hack, or breach caused by severe or critical factors beyond the company's control, the company will not be held responsible or liable for any damage or loss of user data. While the company will take reasonable steps to protect user information, users acknowledge and accept that no system is entirely immune to such incidents.

12. HACKING OR PERSONAL INFORMATION LEAKS

The company is not responsible for any unauthorized access to a user's account, nor for any personal or sensitive information that may be leaked due to unavoidable circumstances, including but not limited to hacking, phishing, or other forms of cyberattacks. Users are encouraged to take necessary precautions to protect their login credentials and personal information.

13. SHARING OF PERSONAL OR SENSITIVE INFORMATION

The company will not be held responsible for any personal or sensitive information that a user voluntarily shares with other users through the platform. Users acknowledge that sharing such information is done at their own risk.

14. FAKE DATA OR CONTENT

Users agree not to submit fake data or post false or misleading content on the platform. The company reserves the right to take appropriate actions against users who violate this policy, including but not limited to account suspension or termination.

15. PROTECTION OF OTHER USERS' OR COMPANY'S SENSITIVE DATA

Users must respect the privacy of other users and the company by not leaking or disclosing personal, sensitive, or confidential information about other users or the company's internal data. Any violation of this policy may lead to immediate account suspension and potential legal action.

16. NO DEFAMATION OR NEGATIVE CAMPAIGNING

Users agree not to blame, defame, or spread false or misleading information about the company, its services, or its employees. Users will refrain from engaging in any activities, whether online or offline, that are intended to harm the company's reputation or operations. Any such actions may result in legal consequences and the suspension or termination of the user's account.

17. DO WE MAKE UPDATES TO THIS NOTICE?

In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this Privacy Notice from time to time. The updated version will be indicated by an updated 'Revised' date at the top of this Privacy Notice. If we make material changes to this Privacy Notice, we may notify you either by prominently posting a notice of such changes or by directly sending you a notification. We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

If you have questions or comments about this notice, you may email us at official@anthrasync.com or contact us by post at:
